

February 2010 Discover & Share Days

Love is in the air!

We will be celebrating Valentine's Day this month! What a great time to teach children about sharing and friendship! Dinosaur week was a hit. The children really enjoyed learning about these mystical creatures and found it amazing that they once walked the earth. Some of our kindergarten and school age children will be participating in their first chess tournament to be held at the end of the month. The students have been working hard and are looking forward to showing off their skills! Good luck "Team Discover and Share"! May February bring joy to your heart~ Ms. Stephanie

If your child has already had a vision/hearing test in the past 12 months, you must provide documentation before Thur, February 4th, or your child will automatically be tested and your account charged. The cost is \$6 for vision and \$6 for hearing. Please see Stephanie at the front desk if you have any questions.
